Wine Club Spring Release

MAY 2022

Message from the Doffo Family

Dear Wine Club,

Here in Temecula we are watching the vines grow slowly as the canopy begins to fill in. The warm skies and cool coastal breezes allow the vines to continue to flourish until Fall harvest season.

As many of you know, the summer temperatures in Temecula (and many other parts of the country) make it difficult to safely ship wine. For this reason, we have moved the Spring release of our Doffo wines from June to May, so that we can ensure that all of your wine arrives safe and at the right temperature.

We are excited to introduce our Doffo Club members to our 2019 Syrah and 2019 Salute! The Syrah is always a family favorite and gets rave reviews from those who enjoy it. The 2019 vintage won't disappoint, as it thrills the palate upon first sip and lingers at the finish. Our 2019 Salute, a blend of Petite Sirah and Malbec pays homage to the blended culture that is the Doffo Family. The label, with a beautiful depiction of Tango dancers, points to our Argentinian roots, while the Italian word "salute" references the heritage of our ancestors. Salute has become another staple blend in the Doffo catalog as the two varietals create the perfect harmony on the palate. Both of these wines are excellent to pair with your grill menu this summer!

Our MotoDoffo line showcases our signature motorcycle themed labels and unique blends, and we are adding an all new wine to the lineup! Be sure to look for the very first white wine blend for MotoDoffo, appropriately named Gran Bianco, which is now available for purchase. Our MotoDoffo Club release for the Spring includes the 2019 Gran Tinto and 2019 MotoDoffo 66 – two very different wines both with tantalizing flavors for your palate. Gran Tinto is bursting with Zinfandel and tapers off with Petite Sirah, a great selection with lighter fair summer menus or to be enjoyed on its own. We are honored year after year to be able to produce a wine for our friends at The Kurt Caselli Foundation. As many of you know, we host an annual event honoring Kurt Caselli and raising funds for the Foundation whose primary focus is the safety and

support of Off-Road riders and racers. The 66 blend is a tribute to Kurt's race number of 66 and is fittingly composed of 66% Malbec blended with 34% Syrah. This is a showstopper if you are looking to serve a nice steak with chimichurri.

This is an exciting time of year at the winery because as the weather gets warmer, the flowers and vines bloom, and the patios fill with butterflies and hummingbirds. Watch out for those caterpillars making their way across the grounds! Our sister Brigitte has added a new mix of flowers and plants to keep the environs beaming with life.

As the Spring rolls into Summer you can expect to see some exciting new events happening at the winery. A part of the continued celebration of our 25 Years in Temecula includes a series of movie nights, concerts, and of course Argentine Asado dinners.

Once again we are grateful for your continued support. We love what we do because you love what we do, and it's always a blessing to be able to share it. May the Spring and Summer seasons bring you all together to enjoy the bounty of life, good food, great wine, and excellent company.

Salute!
Damian, Brigitte, Samantha and Marcelo

INTRODUCING “DUAL MEMBER” BENEFITS

As many of you have come to discover recently, being a member of both the Doffo and MotoDoffo wine clubs has its perks! In addition to receiving our latest creations from both brands throughout the year, Dual Members also get to enjoy discounted pricing on wine, merch and apparel from both brands. This is especially exciting for members of the Doffo Legacy and MotoDoffo clubs, as the higher discount applies to both brands. For example, a 2nd year Legacy member would normally enjoy a 22% discount on non-library Doffo wines, while a MotoDoffo member enjoys a 15% discount on MotoDoffo wines. As a Dual Member of both clubs, however, this person would get a 22% discount on both non-library Doffo wines AND MotoDoffo wines!

Family Dinner

In case you missed it, our family was recently featured on an episode of Magnolia Network's Family Dinner, hosted by Andrew Zimmern. It is rare to not only have the opportunity to be part of something like this, but to connect so quickly and so deeply with the host. Andrew was so much fun to work with, and we feel his team did an amazing job capturing who we are and what we are all about.

This show is not only entertaining, but is also inspiring and at times moving. The premise is simple: that life is all about making deep connections with people and celebrating those bonds around the dinner table. This is something that we Doffos have made sure to prioritize. We all have busy lives, with our own families, schedules and responsibilities. And yet we make a point to gather together and have dinner together weekly. Crowded into the kitchen, gathered around the grill, bumping elbows at the table – this is where the memories are made that we take with us for the rest of our lives.

If you haven't had the opportunity to watch this show yet, we highly recommend it! It's available for viewing on Magnolia Network, which is part of the Discovery+ app. The subscription is currently \$4.99/month, but you can start with a 7-day free trial and cancel after watching the episode if you prefer. We have a feeling you're going to want to check out the other episodes across the 2 seasons of this show, and get to know some of the other amazing families that have been featured.

We hope watching this episode inspires you to gather your family or friends for a dinner party, potluck, cookout – whatever! If you don't already have a family tradition centered around a meal, it's never too late to start one. And when you do, we hope that you feel the power of familial love the way we do when we gather to break bread together. As a bonus, we've included the recipe for our take on a classic Argentine chimichurri sauce – check out the events page for the recipe!!

DUCATI 125CC “MAGNETO”

This year’s MotoDoffo labels celebrate some of Marcelo Doffo’s most unique custom builds, and the Ducati adorning the 2019 Gran Tinto label is no exception. Dubbed the Ducati “Magneto” because of the now rare magneto-equipped motor, this bike is another example of inspiration striking when a couple of components came into Marcelo’s life.

“I saw this tank, and it totally inspired me to put it together with this magneto motor that I had,” Marcelo recalls. “There are not too many of these magneto motors around anymore, which makes it a very unique bike.”

The magnetos were originally made by Italian Motors, Ltd, a shop based out of San Gabriel, CA. Marcelo had this 125cc motor for some years before envisioning the rest of the build when he saw the beautifully shaped gas tank which is now one of the most eye-catching features of the bike.

Marcelo goes on, “I used a Ducati frame and made some small modifications, and the seat I made myself by hand. It needed to be very specific; I tried several different seats and none of them were working.”

Marcelo is a talented painter, as is evidenced by not only this motorcycle, but many in his collection. One of the other unique aspects of this build is the front fairing, inspired by the Ducati race bikes of the past. “This is where I get emotional about this bike,” Marcelo explains. “I have a friend who is going through some health issues. His racing number was #50, so I dedicated this bike to him by putting his number on the fairing.”

One thing is for certain: this motorcycle is near and dear to Marcelo’s heart, and therefore is worthy of being immortalized on the 2019 MotoDoffo Gran Tinto label with original artwork by Roland Sands.
