JANUARY 2023

# Message From The Doffo Family

Happy New Year MotoDoffo Wine Club Family!

It is our wish that your new year has started off with a lot of love and blessings. We are thankful for the continued patronage of our little winery. As a family we are looking forward to 2023 and another year producing exceptional wines that are made with skilled craftsmanship and passion.

The vineyard is currently in its dormant phase, quietly awaiting the spring. Nevertheless, there is plenty of wine work to be done as we prepare for the next few months. Even without the canopy of leaves the views are breathtaking and worth visiting while enjoying a glass of our new release.

We are really excited about the first release of this year's MotoDoffo lineup, the 2020 Super Tinto! The label series for 2023 is new for the family since it will pay tribute to the American V-Twin. For those of us that aren't as moto savvy: "V-Twin" refers to a two-cylinder internal combustion engine with the cylinders arranged in a configuration resembling the letter V. This is an iconic motorcycle along with an iconic brand. The loyalty among the Harley-Davidson community is unprecedented, kind of like the loyalty among our wine club members.

This year's featured artist is Sara Liberte, a motorcyclist and talented photographer that lives in the Black Hills of South Dakota. The photos on this year's MotoDoffo labels represent some of Sara's best work capturing riders in motion around the famous Sturgis Rally. Be sure to read a bit about Sara on the next page.

2023 is going to be AWESOME for all of us, and that includes you! We can't wait to share the happenings of the winery, news of the families' adventures in racing, how the vineyard progresses throughout the year, and of course the wine. We hope you enjoy the new Super Tinto, preferably with good food and great people.

*Until next time, from our family to yours, Salute!  
Samantha, Brigitte, Damian and Marcelo*

## 2020 MotoDoffo Super Tinto

Beloved for its versatility and depth of character, the Super Tinto blend is back with another palate-pleasing vintage. An attractive ruby red in the glass, the 2020 Super Tinto starts off with aromas of cherry cola, red licorice and cranberry before giving way to spicier notes of tobacco, chocolate and a hint of vanilla. The Malbec, Cabernet Sauvignon and Zinfandel blend is full of fruit upon first sip, and the full mouthfeel is balanced by a bright acidity and lingering finish.

### Blend:

60% Malbec, 30% Cabernet Sauvignon,  
10% Zinfandel

### When to Drink:

### Barrel Program:

39% French oak

### Winemaking Stats:

## About the Label Artist: Sara Liberte

We are excited to feature photographer Sara Liberte with this year's lineup of MotoDoffo wine labels! Sara is a professional photographer, author of two books, and former owner and mechanic of a motorcycle repair shop. With decades of experience in the motorcycle industry and work that is featured in magazines and art museums alike, we identify with Sara's philosophy on riding:

*"Crushing miles on the open road provides an escape. Escape from the mundane office job and the daily perils of life. Piloting a motorcycle down the dotted line, a sort of liberation envelops you and navigates which way to go. Riding IS a sensory experience, a passion that drives riders into a transcendent state of nirvana."*

*A visit to the Doffo winery is much like riding a motorcycle. It's thrilling, allowing you to disappear from the crowds, be welcomed like family, and reap the magic of the vineyard's aromas, tastes, and sights of the rolling hills. It is an escape, a sensory experience, much like grabbing the throttle and disappearing into the landscape. Holding a glass of Doffo wine can take you to that level of freedom."*

The photo featured on the 2020 Super Tinto label depicts a custom Harley-Davidson shot in the Badlands of South Dakota.
