SEPTEMBER 2023

Message From The Doffo Family

Hello Wine Fans!

I hope this season finds you enjoying the last minutes of summer and welcoming the fall. We are in the midst of harvest here at the winery and getting ready to enjoy the fruits of our labor of love.

To catch you up on all things Doffo, we are excited to share that at the time of print we were all out in Sturgis, South Dakota at the world's largest motorcycle rally! It was a huge honor to be able to share the MotoDoffo magic with people from all over the country. If you haven't seen our limited edition collaboration with the Sturgis Buffalo Chip, our Rally Red cabernet sauvignon, it is not to be missed! We have a very small amount still available for purchase at the winery or from our online shop!

Your wine shipment this month includes an absolute treat and a Doffo Family favorite. The 2020 Royal Tinto boasts a beautiful deep ruby color and a well balanced flavor profile. This proprietary red blend features a very rare and unique varietal, part of the reason we keep the blend a family secret! The beauty of this wine, like all of our MotoDoffo blends, is that it is exceptional as a standalone sipper or with a wide variety of fall dishes. We recommend Argentine Asado of course, however, Royal Tinto can also accompany any great cut of beef with mashed potatoes. Yum!

As a family, we are really enjoying producing MotoDoffo wines because it allows for a much more collaborative creative process with talented artists from the world of motorcycling. The merging of our two passions is a dream come true. We genuinely appreciate your loyalty and continued support in allowing us to bring you delicious wines made with love.

From our family to yours, Salute!

Samantha, Brigitte, Damian and Marcelo Doffo
